REMARKS

This LEOPARD 24 is one of the best maintained and most competitive ones with low hours. She is outfitted with a very stylish high glossy cherry wooden interior. Most precious materials have been used. All bathrooms fitted in marble. Twin KaMeWa jet drive.

SPECIFICATIONS

Accommodation

Very rich and precious high glossy Pachio Cherry wooden interior and marble bath rooms. In front of the salon there are 3 cabins with en-suite bath rooms. Master cabin suite forward, with shower bath room to port and toilet room to starboard side. Between salon and master cabin there are 2 guest cabins, a twin with additional pullman bunk and a double cabin. Aft of the salon is a large professional galley to starboard and a comfortable twin crew cabin to the port side. The access to the engine room is from the aft deck hatch and from the crew cabin / galley area. Outside there is a large sunbathing area forward and at the aft deck which converts into a outside dining area with a hydraulic table. There is a platform and a garage for the tender. The main deck area is enclosed with sliding doors. There are 2 large seating areas with in between exchangeable tables. Forward to the starboard is the helm and to the port side is a fully equipped bar.
