- All deck hardware is mounted on high-density core areas
- Deck is fully bonded and mechanically fastened to the hull
- All bulkheads are vacuum-bagged cored composites fully laminated at all seams
- Decks are gelcoat Vestal white
- Bottom paint and antifouling color of choice
- Hull is painted color of choice

MECHANICAL AND PLUMBING

- IPS 950 Volvo Penta engine
- Volvo gear shift controls, electronic, with synchronizers, trolling valve control
- Volvo, Heavy-duty isolation engine mounts
- Volvo engine instrumentation, Start/stop with electronic digital displays
- Volvo IPS exhaust system
- Humphree interceptors with active ride control

- Volvo IPS electronic steering
- Engine room sound insulation with composite panels of dampening, barrier and absorption layers
- Seafire® engineered automatic fire protection system, with manual override
- Soft patch or hatch in cockpit for engine removal
- Engine room flooring with FRP composite panels and non-slip surface
- Fresh water faucet in engine room
- Engine room finished in white, flow-coated gelcoat
- Northern lights, gas- water separator
- FRP composite oil pans, under engines
- Manship® mist eliminators, engine air intakes
- 2- Aluminum fuel tanks, 350 USG total = 700 gals.
- Fill, supply, return, approved Type A1 and A2 fuel hose
- Racor® twin water separators for each engine
- Fuel vent filters with anti-spill device for each tank
- Oil change kit for engine, gear and generator, 24 vdc
- Tank gauges for fuel, water, and waste 24 vdc
- Groco® seacocks with exterior hull strainers for engines, air conditioning, generator. On thru-hulls below waterline with double-clamped hoses. Raw-water strainers for pumps and intakes. Valves on thru-hulls above waterline with double-clamped hoses.
- 1- 165 gallon water tank
- Stainless steel tank vents, fills
- Discharge pumps for waste and gray water tank, 24 vdc
- Tecma® toilet, 24 vdc electric system
- Fresh-water system with engineered plastic piping and fittings. Fresh-

water pump – variable pressure, 24 vdc, Fresh-water regulator – city water.
Fresh-water filter

- Water heater 220 vac, 20 gallons
- Whale® manual bilge pump (3) Rule® 3700 gph, zoned, automatic, 24 vdc
- Air conditioner with remote compressor, separate air handlers and controls for the salon, galley and heads, guest cabin and owner's stateroom

ELECTRICAL

- DC electrical system, 12 vdc, 24 vdc
- AC electrical system, 115 vac, 230 vac
- AGM batteries, for ship, engine starting and generator. Stainless steel bracket. Battery chargers: 75 amp 24V and 30 amp 12V. Battery-condition indicator. Battery isolation. Battery switch, emergency paralleling
- AC circuit breaker panel under chart drawer
- Inverter 24 vdc to 115 vac, 2400 watts
- Alternator, Engines, 24 vdc, 60 amp. Generator, 240 vac, 60 amps
- Axial engine room fans, 24V DC
- 115V AC LED and 24V DC LED engine room lights
- Carbon monoxide detector in each stateroom and salon, 24 vdc
- Northern Lights® generator, 16 KW, with sound enclosure, exhaust silencer
- Charles Marine isolation transformer
- Glendenning® Cablemaster with 75 ft. cable for shore power with inlet and white Hubbel® cord, 50 amp
- Common wire bonding with #8 AWG conductors per ABYC E-11

- 12 vdc, 24 vdc, 115 vac, 230 vac. DC circuit-breaker panel – in passageway
 - LOPO® LED, 24 vdc navigation lights
 - Outlets in galley, engine room and heads, GFCI circuit protection
 - Marine-grade wiring, tinned copper
 - Marine grade wire fittings, terminals, connectors
 - LED lighting with VIMAR® switches
 - Stereo system, Fusion components with controls in salon, cockpit and master
-

NAVIGATION EQUIPMENT

- 2- Garmin GPSMAP 8617 multifunction navigation displays, Volvo Glass Cockpit
- 1- Garmin GRID (Garmin Remote Input Device) control for navigation displays
- 1- Garmin GPS 19X position receiver/antenna
- 1- Garmin GM120 Digital Marine Instrument display (depth and speed)
- 1- Airman DT800 depth/temperature smart transducer
- Garmin GHP Reactor Autopilot System with GHC20 Control Head and Shadow Drive
- 1- Garmin GMR 424 xHD2 4 ft Open Array 4kw high-definition radar
- Engine displays integrated into Garmin MFD
- 1- BlueChart g2 Vision HD chart chip for owner's chosen area
- 1- Garmin VHF 315 radio with hailer

COMMISSIONING PACKAGE

- 6- Dock lines (5/8' x 35' bow and stern)
- 4- Fenders (10" x 26")
- Boat hook
- 3 Fire Extinguishers (3B-I or B-I & B-II)
- 3 Large life jackets
- 1 Set of 4 Life Jackets
- Throwable type IV
- First Aid Kit
- Flares
- Horn
- Pollution Placard, MARPOL garbage placard, Copy of USCG navigation rules
