THE CULTURAL HERITAGE OF

CROATIA

Croatia is one of Europe's sunniest spots with an average of 10 to 13 hours of sunshine a day. It is rich in history, culture, natural reserves, beautiful beaches and prodigious fortresses. Croatia starred as the iconic King's Landing in the Game of Thrones.

Croatia's beauties include the Plitvice Lakes National Park, one of the UNESCO World Heritage sites. Plitvice National Park is a magical pristine world of woodland, lakes, waterfalls and caverns. The park is famous for its chain of 16 lakes arranged in cascades.

Besides her historic and natural beauty, Croatia has also become a favorite for the jet setters with cosmopolitan clubs and glamorous hotels lining the shores.
